

Blade of Righteous Judgment

Massive curved blade, one of the ancient Tools of Justice. Twisted by Drachan at the end of the First Age, it was reclaimed and restored by the Warrior King. Bone-white, etched with script that glows faintly, it hums with righteous purpose.

Combat Effect:
Deal 2 damage to un-armored enemies with each strike. This is the only weapon that can deliver the killing blow to Dorogh.

Guidance Effect:
The Blade goes ice-cold when enemies or corruption are near, warning its bearer of danger.
